Beginner stained glass: Summer camp

Date: Tuesday, July 23, 2019, and
Wednesday, July 24, 2019

Time: 10 am–4 pm

Fee: \$225 + HST

This two-day summer camp includes hands on instruction in traditional stained glass. Participants will learn how to safely handle, cut and break sheet glass, copper foil, and solder a small panel. Participants will create a copper foil stained glass panel that will be ready to display at the end of the camp. There are several patterns to choose from. *Youth are welcome when accompanied by a participating adult.*

All materials are included.

Beginner fused glass: Summer camp

Date: Thursday, July 25, 2019, and
Friday, July 26, 2019

Time: 10 am–4 pm

Fee: \$295 + HST

Stay cool while learning about warm glass in our fully-equipped Studio during this full spectrum two-day summer special. Participants will learn about glass compatibility, volume control, and best practices while producing unique glass jewellery, a one-of-kind slumped glass dish, and a 12-inch hexagonal garden stake. Glass cutting and shaping, tool usage, and mini-kiln firing will also be covered. *Youth are welcome when accompanied by a participating adult.*

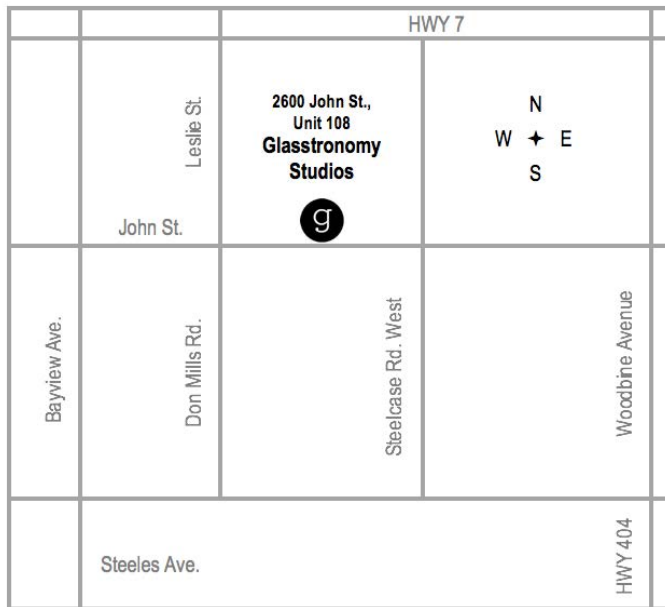

All materials and firings included.
