**Fusers' Reserve**  
**Southwest Reaction**  
**OpalArt glass**

This System 96 fusing favourite, along with other limited Fusers' Reserves are back in small quantities. Southwest's bold striations will add drama and visual interest to any fusing project. *In stock while quantities last*

**Pattern catalogue**

A wide variety of project pattern kits are now available for order and purchase. From panels to serving ware, traditional stained glass to fusing and mosaic, abstract to pictorial, these pattern kits cover the gamut of every level of experience. If you are a hobbyist looking for something different to make, check out our selection on the new *Patterns* page on our website.

**Upcoming members' events: Date changes**

The dates for our October and November events have been swapped to accommodate competitors in our next cook off event.
