### **Member volunteers needed**

Our student and member volunteers will be making glass pendants on Sunday, May 26, 2019, which the students will sell at a booth at the Makers' Market. All proceeds from the cash sale of the pendants will go to Yellow Brick House, a shelter in Richmond Hill. *The Glassed Over Project* collection will be sold via silent auction during the day. A portion of its sale will also go to the Yellow Brick House. In either case, volunteers are needed to oversee the youth and help with the auction.

If you have an hour to spare during the art show to set up/take down the booth, or assist the student volunteers, please email [members@glasstronomystudios.ca](mailto:members@glasstronomystudios.ca) and indicate a preferred time (between 9 am–4 pm). If you can pin up a poster at your apartment/condo, local library, place of worship, recreational/community centre, workplace, or other public space, email us and/or pick one up in Studio (available May 26, 2019). Alternatively, please send a shout out via your social network about coming to the show. A blurb will be posted to our Members' [Community](#) page with text for you to use if you choose. Feel free to link to our [Facebook](#) page to share the story of the event with your friends and colleagues.
