

Beginner preview – Fall 2022

Welcome to Glasstronomy Studios' learning program. This calendar covers the learning activities open to beginner participants during September 2022 for people just getting started in glass or wanting to refresh their skills. *Registration now open.*

Levels of experience

Glasstronomy Studios hosts workshops for glass enthusiasts with varying levels of experience. Our workshop calendar includes something for everyone. Most of our membership levels qualify for discounts on our workshops and courses. Each workshop has a unique number assigned to it that also indicates the level of experience required. Please consider these designations when you register:

G – general — all levels welcome

B – beginner level (no glass cutting experience required)

I – intermediate level — must know how to safely handle standard glass tools

A – advanced level — must have participated in an applicable Studio intermediate level workshop or course

Policies

Payment registration: To register, we currently accept payment in person (cash, Debit, MasterCard, and Visa), by email (etransfer), or by phone (MasterCard and Visa). Please note that HST will be added to the listed fee at time of payment.

Cancellation policy: A Studio credit will be issued for cancellations up to 48 hours before start date. We regret that Studio credits will not be issued under the 48-hour threshold.

Studio credits can be applied to a future purchase of a workshop or course.

September 2022 | Beginner preview

B209

Beginner stained glass: Leaded panel

When: Thursdays, September 8, 15, 22, and 29, 2022, from 7 to 10 pm

Fee: \$225 + HST (includes all project materials and tool use)

Capacity: Limited to eight participants

Welcome to stained glass! Bright and engaging, stained glass is a wonderful medium to inspire creativity and relaxation. This four-week course includes hands on instruction in traditional lead came stained glass in our spacious and fully equipped studio. Participants will learn how to safely handle, cut, and break sheet glass, and lead and glaze an 8-inch x 10-inch stained glass panel.

All project materials included.

B231

Beginner fusing: Dichroic jewellery and dish

When: Saturday, September 17, 2022, from 10 am to 4 pm

Fee: \$195 + HST (includes all project materials and firings and tool use)

Capacity: Limited to eight participants

If you are ready to take the next step into the world of art glass, or just want to try something new, Glasstronomy Studios offers a one day beginner fused glass experience. Participants will learn about glass compatibility, degrees of firing and volume control while creating fused dichroic glass jewellery and a fused and slumped glass dish. Participants will learn how to safely handle the material and operate the mini kilns.

All project materials and firings included.
