

Summer 2023
Adult art glass
summer camp
Under the sea

Imagine a light breeze, the warmth of the sun, the gentle lapping of waves on sand, and relax. Bring those vibes to Glasstronomy Studios this summer as we explore a host of stained and fused glass techniques celebrating the Earth's oceans and their inhabitants.

There is an ocean of creativity within every human being.
David Lynch

I441 | Stained and fused glass "Glassarium": Underwater glass seascape

Date: Tuesday, July 25, Wednesday, July 26, Thursday, July 27, and Friday, July 28, 2023

Time: 10 am to 4 pm

Fee: \$495 + HST (all materials, project firings, and lunch daily included)

Registration is limited to eight people

Explore colour, form, and texture ... under the sea! This year, we are excited to bring the theme of "under the sea" to our adult intermediate and advanced summer camp. Jam-packed with technique, this project allows for playful experimentation with fusing techniques such as powder casting and modelling, juxtaposed with the structural integrity of sealed stained glass construction.

Participants will create a four-inch by six-inch by 16-inch "Glassarium" tide pool to fill with glass shells, creatures, and their very own message in a bottle. Sealed and filled with water it will be a wonder to enjoy long afterwards.

With so much technique and whimsy, this camp offers a vast sea of possibilities!

True to camp format, gourmet lunches, all materials, and project firings are included.

How to register: To register, we accept payment in person (cash, Debit, MasterCard, and Visa), by email (e-transfer), or by phone (MasterCard and Visa). Please note that HST will be added to the listed fee at time of payment. *Registration opens July 1, 2023.*

Cancellation policy: A Studio credit will be issued for cancellations up to 48 hours before start date. We regret that Studio credits will not be issued under the 48-hour threshold. Studio credits can be applied to a future purchase of a workshop or course.

Do you have food allergies? Please let us know the details when you register.
